Pravin a/l Murugan

Customer Support Agent

Cyberjaya, Selangor · 01X-XXX 2196 · pravin.murugan@example.com · Age 23

Summary

Environmental science graduate (2025) currently working as a customer support agent while I look for a role that uses my degree. Strong communicator with a good grasp of data from my final-year project on river water quality. I want to work on sustainability and climate data.

Work experience

Customer Support Agent (contract) Sep 2025 – Present
Laju Connect BPO Sdn Bhd, Cyberjaya

- Handle 60–80 inbound calls and chats a day for a telco client, in English and BM
- Log and tag every case in Salesforce Service Cloud; average handling time 6 min
- Follow scripted troubleshooting and escalate complex billing cases to tier 2
- Consistently in the top 20% of the team for customer satisfaction scores

Warehouse Assistant (part-time) Jun 2024 – Aug 2025
Gemilang Fulfilment Hub, Shah Alam

- Picked and packed e-commerce orders; updated stock counts in the warehouse system
- Helped reorganise bin locations, cutting average pick time by about 10%

Final-year project Nov 2024 – Jun 2025
Water quality in the Langat River basin

- Collected and cleaned 18 months of sampling data; built charts in Excel and basic R
